*John Carroll University Commencement • May 28, 1989*

---

ARCHBISHOP JOHN CARROLL, AMERICAN EDUCATOR  
(1735-1815)

This year, 1989, celebrates *The Bicentennial of Jesuit Education in the United States*, as well as *The Bicentennial of the Establishment of the Catholic Hierarchy in the United States*.

It was at White Marsh, Maryland that the Catholic Church in the new republic was organized, that the suppressed Jesuit priests decided to incorporate their landholdings, that the first Catholic school of higher education was planned and, more importantly since this year is a bicentennial year, that John Carroll was named Bishop of Baltimore and so, the first Catholic bishop of the United States.

In September of 1923, John Carroll University changed its name from St. Ignatius College to honor him — a Jesuit until the suppression in 1773, well-read, grounded in history and theology, possessed of definite ideas about a liberal arts education, and open to the new experience of the young Church in the United States. Were it not for Bishop Carroll's determination to secure a place for Catholics in the new republic, many great institutions — like John Carroll University — would not exist today.

*The portrait of Archbishop John Carroll displayed on the cover of this program was painted (ca. 1806-1813) by Jeremiah Paul, Jr. The painting is exhibited in the Chancery Office of the Archdiocese of Baltimore.*

HONORARY DEGREE CANDIDATES

*Doctor of Sacred Theology*  
Joseph Cardinal Bernardin

*Presented by:*

Rev. John P. Schlegel, S.J.  
*Executive Vice President and*  
*Academic Vice President*

Joseph and Maria, who gave you birth, sailed  
On seas of hope to this land of promise,  
Sustained by their ancient Catholic faith,  
Each dreaming immigrant dreams of new life:  
Prosperity, justice, freedom and peace.  
How far from forethought then their child as

Champion of these goods and goals, enriching  
America with their Church's wisdom!  
Reconciler, healer, proclaiming the Lord,  
Doing in Charleston all things well, you were  
Invested at Hallinan's hands as the  
Nation's youngest bishop. Shepherd of  
Atlanta, Cincinnati, Chicago,  
Leader, light and synod spokesman of our

Bicentennial hierarchy, you  
Exercise with them collegial care and  
Respond to interwoven challenges of  
Nuclear arms, abortion, poverty.  
Amid your countless labors in the Church you  
Reach out to others in civil dialogue,  
Defending a consistent ethic of life,  
Intent on clothing our nation's moral  
Nakedness with the seamless robe of truth.

John Carroll University is honored to honor you,  
Cardinal Joseph Bernardin, and confers  
Upon you the degree of Doctor of Sacred Theology, *honoris causa*.

*Doctor of Humane Letters*  
Rev. Walter J. Burghardt, S.J.

*Presented by:*

Joseph F. Kelly, Ph.D.  
*Professor and Chairperson*  
*Department of Religious Studies*

Weaver of words with wit and wisdom,  
All lost in wonder at the Lord you love,  
Luring us too to wonder at His works,  
Thinker, talker, teacher, priest and preacher,  
Editor and author again and again,  
Radio broadcaster sowing wide the Word,

Jesuit molder of Jesuit minds and men,  
Bucolic Woodstock and Catholic U  
Unite in naming you their past professor.  
Resident theologian of Georgetown,  
Good friend and fellow of Weigel and Murray,  
Honored by pope and peers, you publish  
*Ancient Christian Writers* for modern Christian  
Readers, *Theological Studies* too.  
Dahlgren Chapel your pulpit on the hilltop,  
The world your wide congregation, you are

Still proclaiming in winter His wonders,  
Joyful in people, in work and in life.

John Carroll University is honored to honor you,  
Companion of Jesus, and confers  
Upon you the degree of Doctor of Humane Letters, *honoris causa*.

*Doctor of Science*

Paul G. Gassman, Ph.D.

*Presented by:*

Nick R. Baumgartner, Ph.D.

*Professor*

*Department of Chemistry*

Paul Gassman, chemist and proud of the name,  
All your areas of research and  
Unceasing inquiry are too many to  
List. Reaction mechanisms, neighboring

Group participation, nitrenium ions,  
ESCA, heterocyclic synthesis,  
Organoelectrochemistry, strained  
Rings, transition metal catalysis — these  
Give but a hint of the waters you fish.  
Educator and research director, you

Gift with wise advice and leadership the  
American Chemical Society,  
Serving it in ever more responsible roles,  
Selected as its President for 1990.  
Minnesota Regents' Professor,  
Author of hundreds of works, granted  
Numerous patents and high awards, you

Champion the cause of chemical education.  
Husband and father, with Gerda your bride,  
Eric, Kimberly, Amy, Nancy, Vicki,  
Michael and Debbie, you have a full house that  
Is hard to beat. Grandchildren call you Papa  
Sir; graduate students call you friend and  
Teammate at both the ballpark and the lab.

John Carroll University, honored to honor you,  
Calls you her son and confers  
Upon you the degree of Doctor of Science, *honoris causa*.

*Doctor of Laws*

Frantisek Cardinal Tomášek

*Presented by:*

Rev. Michael J. Lavelle, S.J.

Fearless defender of God's laws, of the  
Rich and ancient heritage of Cyril  
And Methodius, of the faith of Wenceslaus, your  
Nation's patron saint who suffered at his  
Treacherous brother's hands, Christians  
In your native land acclaim you as their  
Spiritual and moral leader.  
Educator and ecumenist,  
Keen of mind and kind of heart, you served the

Cause of truth and the Church of Christ  
As priest, professor, scholar and shepherd.  
Raised to the rank of bishop, you shared the  
Daily toil of Vatican II and spoke  
In the midst of Council Fathers, yourself  
Not least among them, but honored of them all.  
Administrator Apostolic, you  
Led the See of Prague in its 1000th year and

Then were named Archbishop, heir of Adalbert,  
Of Bohemia Primate, and Prince of the Church.  
Men call you *Oak Tree of the Holy Spirit* —  
A source of strength for all believers —  
Suffering for the freedom of the sons of God,  
Expending yourself for His kingdom, a  
Kingdom of justice, of love, and of peace.

John Carroll University is honored to honor you,  
Cardinal Tomášek, and confers  
Upon you the degree of Doctor of Laws, *honoris causa*.

*Since Cardinal Tomášek is unable to be with us today, the honorary degree is being awarded in absentia. Accepting for him is Rev. John Joseph Andel, Pastor Emeritus of Our Lady of Lourdes Church in Cleveland, Ohio; Fr. Andel received his A.B. from John Carroll University in 1932. Accompanying him is Mr. Vaclav Hyvnar.*

## PRESENTATION OF ALUMNI MEDALISTS

J. Gordon Priemer

*Class of 1964*

*President, Alumni Association*

### THE ALUMNI MEDAL

The Alumni Medals are conferred annually as the highest award of the John Carroll University Alumni Association upon alumni and others who have, through the distinguished conduct of their lives, either brought extraordinary credit to the university or contributed conscientious service to the Alumni Association, or both. The recipients of the award this year are:

Leonard H. Calabrese, D.O.

*Class of 1971*

A colleague of Dr. Leonard Calabrese once said he "has transcended boundaries because he has no boundaries."

A bachelor of science graduate from John Carroll in 1971, he received his Doctor of Osteopathy degree at Kansas City College of Osteopathic Medicine. He completed his residency at Cleveland Clinic, where he remained to practice, and was named Chief of Clinical Immunology in 1981.

Dr. Calabrese has led a dedicated and relentless fight against the deadly Acquired Immune Deficiency Syndrome virus. He has cared for AIDS patients, conducted research into the disease and trained other health professionals in giving aid and comfort to the afflicted. Tirelessly, he has worked behind the scenes to increase public awareness and gain additional resources for the battle. He speaks to community groups, school teachers, firefighters, and paramedics in order to provide facts and dispel myths about the disease.

He is a member of several AIDS task forces and advisory committees, including those for the Ohio Legislature, Cuyahoga County, the City of Cleveland, the Ohio Department of Health, and the American Osteopathic Association.

Because of his selfless contributions to his patients, to their families, and to the medical profession, and because he exemplifies the Jesuit ideal of service to others, the Alumni Association proudly confers its Alumni Medal on Dr. Leonard H. Calabrese, Class of 1971.

Michael A. Dwyer, Ph.B.  
*Class of 1937*

The Bible tells us "by their fruits you shall know them." So it is that the City of Cleveland has come to know Michael A. Dwyer. He is known to some as a podium personality, whose carefully chosen comments and gentle humor have delighted his listeners for 30 years; to those in need, as a generous and outgoing man, whose work with and for the poor has been an invaluable help to the Diocese, the city, and the Indian missions; to fellow alumni, as a strong supporter of John Carroll University, the Cleveland Club, and the Alumni Association; and to everyone — just a wee bit Irish.

A 1937 graduate of John Carroll University, he served four and one half years in the service of his country before becoming a marketing executive for Ford Motor Company and finally forming his own company in 1970. His company has functioned as independent sales representative in such diverse fields as precious metals, health products, and financial services.

He is a member of The International Platform Association and has addressed audiences as speaker or toastmaster for banquets, professional meetings, colleges, religious functions, and recently as a guest speaker on the Queen Elizabeth II, during a cruise to South America.

As a member of the Sponsoring Committee for the Annual Bishop's Dinner for Guest House, he works with the recovery center for alcoholic priests and religious. He also works gathering food and clothing for the poor and needy in the inner city of Cleveland. As a special apostolate, he is a booster and supporter of the Catholic Indian Missions in North Dakota.

Always giving freely of his time to support the University and the Alumni Association, Mike is a class agent for the Alumni Fund, a columnist for the *Alumni Journal*, an active member of the Cleveland Club and a supporter of the Alumni Career Network.

Mike is a loving husband to Connie, his wife, and a devoted father to their children.

In recognition of the fruits of his charity, tireless devotion as an alumnus, leadership in business, and responsiveness to community needs, the Alumni Association is honored to present the Alumni Medal to Michael A. Dwyer of the Class of 1937.
